This thumbnail sketch of an average North American family is dedicated to my husband, Richard Von PiPPin 14264, and to the children of the 21st Century so they may know from whence they come.

GrandParents are the crown of old age,
and sons are Proud of their fathers.
Proverbs 17:6

HOW TO READ

The number of digits Preceeding the name indicates the Generations from Richard William PiPPin (ie. 143 is three generations after Richard William PiPPin).

The numerical value of each number indicates the child's order of birth in each generation of descent (ie. 143 means the third child of the fourth child of the first child of Richard William PiPPin).

All information in Parenthesis () is about the spouse of the descendant.

All information in brackets [] indicate source of information.

This book contains no page numbers, but all listings are in numerical sequence. Listing 17 follows listing 1 and Preceedes listing 113.

Only those Persons who were born with the name of PiPPin or received that name at adoption have a listing number.

Every Person mentioned in this book is indexed by first name, middle name, and known nickname. Those who do not have their own listing number carry the number of the Person under whose name they are mentioned.

INTRODUCTION

Richard William PiPPin was born in Maryland in 1788. He married Elizabeth Hobbs in Franklin County, Indiana October 15, 1819. She was born in Delaware.

Richard and his family were listed in the Dearborn County, Indiana census in 1830. They had three children by then, Benjamin who was born in 1821, Nancy who was born May 20, 1824, and Elender who was born early in 1830. Dearborn County adjoins Franklin County to the south.

On February 23, 1833 Richard Purchased a Plot of land from the United States Government between St. Marys and Oldenburg in Franklin County, Indiana. It is located in a very hilly, stream laced area of southeastern Indiana a few miles north of Interstate 74.

The 1840's were a busy decade for Richard and his family. They Purchased an additional 2.75 acres of land nearby from James Hicks on October 3, 1840. Mary Jane was born in 1840; Benjamin was married to Chrisyena Morris on April 18, 1841; Nancy was married to Hezekiah Petty on February 10, 1842; the last child, Sarah, was born in 1842; and Benjamin and Nancy added eight grandchildren to the family before the end of the decade.

APParently the Poor land could not support so large a family, so Benjamin, Chrisyena and their children, Anna who was born August 7, 1841, Richard W. who was born in September 1844, Elizabeth who was born in 1845, Thomas who was born November 10, 1846, and Arnold who was born September 18, 1848 found more fertile land in Tremont Township, Tazewell County, Illinois shortly before Arnold's birth. They were soon followed by the entire family.

On September 3, 1850 Richard and Elizabeth sold their two Parcels of land in Franklin County, Indiana and on October 8, 1850 they Purchased approximately 60 acres of good farm land northeast of Tremont in Tazewell County, Illinois.

Mary Hobbs, aged 82, a relative of Elizabeth Hobbs PiPPin appears to be the first Person buried in the family Plot in the northwest corner of Tennessee Point Cemetery located east of Tremont, Illinois in Tremont Township. She died September 10, 1853.

Hezekiah and Nancy PiPPin Petty had eleven children, five of whom died before adulthood. They owned approximately 50 acres on Mud Creek several miles from Richard William PiPPin.

Elender never married and lived with her Parents. Mary Jane married Elmore Brim in Tazewell County on August 30, 1857 and had at least one child. Sarah married John Stormer in Peoria County on September 10, 1857 and had twelve children.

Richard William, who died October 19, 1871 at 83 years of age, and Elizabeth, who died March 25, 1894 at 90 years of age, were buried in the family Plot in Tennessee Point.

Benjamin's wife Chrysena Morris PiPPin apparently died in 1857, although I have not yet found a record.

On January 10, 1859, Benjamin PiPPin married a land-owner widow, Mrs. Elizabeth McGinnis of Little Mackinaw Township. She already had nine children. Benjamin died February 15, 1865 at age 44. Elizabeth McGinnis PiPPin maintained her farm until her death January 18, 1891.

Benjamin's three sons, Richard W., Thomas, and Arnold served in Company C, 14th Illinois Cavalry during the Civil War.

Two of Benjamin's children, Richard W. and Elizabeth, married two of Abraham and Elizabeth McGinnis' children, Charlotte and James. Benjamin's eldest, Anna, married Joseph Graybill.

Benjamin's sons, Thomas and Arnold, married Hodson sisters, Cynthia Iona and Margaret Jane.

Thomas stayed in the area as a tenant farmer. Some of his descendants live in the next county east, McLean County, Illinois today.

Benjamin's other sons, Richard W. and Arnold, looked for new land in Kansas.

The Persons listed in this book are the descendants of Richard William and Elizabeth Hobbs PiPPin. Everyone listed in this book was born to or adopted by a man named PiPPin of this line.

The family is listed in the Franklin Co., Indiana census in 1820 and 1840, in the Dearborn Co., Indiana census in 1830, and in the Tazewell Co., Illinois census, Tremont Twp., in 1860, 1870, and 1880.

Richard PiPPin Purchased land in Tazewell Counts, Illinois 8 Oct 1850. The legal description is Township 24 N, Range 3 W, Section 9, Part of W 1/2 of the SE 1/4 section. It is located northeast of Tremont.

Richard's will asked that all debts and funeral expenses be Paid. He gave all real and personal property to his wife Elizabeth except \$1.00 to each child living at the time of his death. If Elizabeth remarries she gets 1/3 of the property and the rest is to be divided among the children and legal heirs. At Elizabeth's death what she has retained shall be sold and the proceeds divided between the children and legal heirs. Elizabeth was made executor of the will which was dated Sept. 9, 1871. Evidently Richard did not write, as he made his "mark".

Upon Elizabeth's death the heirs signed Quit Claims to Peter L. Goetz. [C,L,T,W,2,3,4,6,7,8]
